MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence

FROM: Director, Intelligence Community Staff

SUBJECT: Reductions in DIA Manpower

25X1

1. Action Requested: That you sign the attached letters to the Chairmen of three of the four Intelligence Committees, plus the House and Senate Armed Services Committees.

25X1

2. Background: A background package on this issue was forwarded to you on 3 June to prepare you and the DDCI for discussions on the subject with Defense. This has been included for your convenience at Tab A. Five of the letters for your signature (Tab B) request that the other Committees follow HPSCI's lead in granting DIA an exemption from the manpower reductions of the Defense Reorganization Act, while not requiring the Defense Department to absorb DIA's share elsewhere. I have included letters for the Armed Services Committees, as well as our Intelligence Committees, because it will be the Armed Services Committees that must approve any changes to the Act before final Congressional action. Tab C is a letter to Chairman Stokes of the HPSCI thanking him for the HPSCI's support on this issue, and providing him a copy of the letter sent to the other Intelligence Committees and the Armed Services Committees.
